Chairperson's Report

As chairman of the Rotorua Trails Trust, it is my pleasure to present this year's annual report. This has been a very productive year for the Trust despite the ongoing pandemic and changes in the economy. Our key success this year was the Whakarewarewa Forest Loop being officially opened and it is now the 23rd great ride in New Zealand. This is the culmination of the combined vision and very hard work by many. Feedback to date has been extremely positive but there is still plenty of work to do to keep this one of the premier one-day rides in New Zealand.

Our other focuses have been around systemising the maintenance, community engagement and improving the user experience. This year a considerable amount of work has been spent on formulating maintenance plans and recording trail maintenance hours. We have sought more feedback from our community and different user groups to understand their needs. This data and community engagement are both excellent tools for enhancing the user experience. This year we have started to work more closely with the other forest groups, Rotorua MTB Club, First Response, Tipu Wai and Whaka Pestfree. Still more work to do but there is great benefit to all from this collaboration. We are also starting to work with other Trails Trusts and Great Rides in the region for the benefit of all.

I would like to acknowledge our Trails Manager, Kris O'Driscoll, who has led a large amount of this work. Kris is driving the Trust forward always with the user experience in mind. This is greatly appreciated by the Trustees. Our thanks too, to our passionate and hard-working staff and contractors. The growing appreciation and positive feedback

from the community is a very deserved acknowledgement for their efforts.

Special thanks to Tangata Whenua who allow the community to access their lands for recreation. We would also like to thank and acknowledge the Rotorua Lakes Council for their financial investment and support without such the trails could not be built and maintained as they are. The forest seems as busy as it has ever been which is also a recognition of how great an asset this is for Rotorua.

I would also like to recognise the Rotorua Trust who has kindly assisted with the funding of the upcoming major rebuilds planned for the Tokorangi face in late 2022. Thanks to all our other supporters and our members. Without their help, we would not have the financial stability we need to work effectively.

A big thank you too to the trail adopters, volunteers, working bee attendees and general supporters who truly make this forest the very special place it is. The public help in the Forest is second to none and a key component of its success.

My thanks to my fellow trustees for their hard work and commitment again this year. Moving forward we have set ourselves some lofty aspirations for the 2022/2023 year and we hope to see you all along on the journey.

Ngā mihi nui

Grant Utteridge

Chairman

Operations Manager's Report

As many of these reports say, it's been a big year. This one is no different and it has indeed been a big year. Personally, it has been a fantastic challenge for me to take on the Operations Manager role. I know this role came with the weight and support of a lot of history. I recognise that I stand on the shoulders of many insightful people who have poured blood, sweat and passion into the trails.

We have created a maintenance plan and focused on the existing trails with 3,500 hours spent maintaining all trails. An additional 460 hours were spent cutting fallen trees and clearing windfall off trails. Volunteers added another 2,700 hours in the forest.

Improving the signage around the forest has been a big aim with more directional signage at intersections.

New builds have included the Whāki grade 3 trail which brought interesting challenges building within the young pines. It was good to work with Timberlands in this situation in selecting trees to thin that work around the trail build.

We were also able to complete the Whakarewarewa Forest Loop build with the Tank to Town bypass, a new line in Feeder, tidy up of the Chickens area and Tūhua, and the final link at the Tarawera Tank. It was fantastic to see the Forest Loop accomplish the Great Ride status that we knew it deserved.

Our relationship with Timberlands and Rotorua Lakes Council continues to grow. Our collaboration with Timberlands during trail builds and communication on the logging this past summer worked well. We work closely with Rotorua Lakes Council, which represents the landowners, on all the happenings in the forest.

Thank you

Huge thanks to our staff and contractors. We have an amazing team who love the trails and take pride in the work they do, from building new trails, cutting back vegetation, doing the comms to share our news and stories, and even digging out drains! They are a dedicated bunch that I consider myself lucky to work with.

A massive thanks to the volunteers who spend their free time helping on the trails. This comes in many forms: attending working bees, doing a work team building, and of course, adopting a trail. Some folks spend hundreds of hours out there fixing spots, digging drains and clearing windfall. I also thank everyone who reports the issues and trees down in the forest. We are able to get around to clear them so quickly because of your help. Continuing in the volunteer thanks, I want to say a huge thanks to the trustees for your time and support.

We have some amazing organisations that fund and support our work. Thanks to sponsors such as Rotorua Lakes Council, event donations from NDuro Events and Orienteering BOP, business donations from Pak 'n Save, Good Eastern Taphouse, Aura Accommodation, Pig & Whistle Historic Pub, and our partnership with Rotorua Mountain Bike Club.

Thank you to the following organisations which approved funding for projects during the 2021-22 financial year:

- Rotorua Trust Logging Rebuild and Operational Funding
- New Zealand Community Trust (NZCT) For a new storage container
- Pub Charity Ltd For PHEC First Aid Training for staff
- Geyser Community Foundation James Dodds Memorial Fund – For upkeep of Dodzy Skills Park
- Mercury Employee Community Fund For the purchase of two PLBs

My final thanks is to the landowners who support our work and allow us onto their land to enjoy this beautiful space. I see the joy and happiness that comes from the forest, and I hope everyone is able to appreciate this.

Ngā Mihi Nui

Kris O'Driscoll, Operations Manager

For the year ended 31 March 2022

Prepared by BWTL Advisory Limited

Entity Information

Rotorua Trails Trust For the year ended 31 March 2022

Legal Name of Entity

Rotorua Trails Trust

Entity Type and Legal Basis

Registered Charitable Trust

Registration Number

CC52100

Entity's Purpose or Mission

Rotorua - City of Trails, second to none.

We want the Rotorua recreational trail network to be a user experience which is second to none, reflecting our heritage, culture and environment, through an integrated network, delivering positive benefits, with safety in mind.

The Rotorua Trails Trust develops, manages and advocates for a network of the world's best trails across the Rotorua district.

From concept to delivery, we will be clear about who our users are, and the kind of experiences they want to have.

We deploy a combination of professional trail builders and managed volunteers to deliver on the concept to a professional standard.

Main Methods Used by Entity to Raise Funds

Contracting Income, third party grant & funding applications, membership fees, and donations.

Entity's Reliance on Volunteers and Donated Goods or Services

Rotorua Trails Trust is reliant on the work of a large number of volunteers. As well as volunteer work by the trustees, there are approximately 40 trail adoptees who regularly work maintaining "their" trail. The Trust has a monthly trail maintenance day, when members of the public volunteer time towards a special project or maintaining a trail.

Statement of Service Performance

Rotorua Trails Trust For the year ended 31 March 2022

Description of Entity's Outcomes

The Trails Trust will develop and maintain a network of multi-user recreation trails.

The objective is to ensure a user experience that is second to none, reflecting our heritage, our culture, and our environment, through an integrated network, delivering positive benefits, with safety in mind.

Description of the Entity's Outputs

Worked with Rotorua Lakes Council and the Forest Recreation Management Group to maintain current trails and develop recreational trails.

Maintained 156 km of mountain bike tracks, 17 km of walking tracks, 4 km of equestrian trails, 60 km of shared trails and roads all totalling approx. 330 km.

Maintained Department of Conservation trails on Western Okataina and Maunga Kakaramea - Rainbow Mountain and within the Whakarewarewa Forest.

Maintained the off-road section of Te Ara Ahi, Rotorua's Heartland Ride.

Maintained all the 33kms of the Whakarewarewa Forest Loop, recently announced as Rotorua's Great Ride.

Refurbished the walking trail at Lake Okareka.

Collated over 2,700 hours of volunteer work.

Aside from lockdowns, we held monthly working bees on forest trails and had various community groups to help maintain trails.

Applied for and received funding from the following:

- Pub Charity Ltd For PHEC First Aid Training for staff
- Rotorua Trust Operational Funding
- New Zealand Community Trust (NZCT) For a new storage container
- Geyser Community Foundation James Dodds Memorial Fund For upkeep on Dodzy Skills Park
- Mercury Employee Community Fund For the purchase of two PLB

Built Whāki Grade 3 Trail which gives an alternative way to get back down to Te Pūtake o Tawa Carpark.

Built the final part of the Whakarewarewa Forest Loop, Tūhua section on the Tokorangi Face to the tank.

Resurfaced a large section of the Waitawa Walking trail.

12

Added more wayfaring signage at various locations in the forest.

Spent over 460 hours clearing trees and windfall from weather events.

Statement of Accounting Policies

Rotorua Trails Trust For the year ended 31 March 2022

Basis of Preparation

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) Tier-3 on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

Rotorua Trails Trust is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Property Plant & Equipment

Property Plant and Equipment is shown at historical cost less accumulated depreciation to date.

Depreciation is calculated on a diminishing value basis over the estimated useful life of the asset, using the rates published by Inland Revenue.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.
